

# 2025 Research Symposium

## An appetite for consumer-driven research

The Nutrition & Health Innovation Research Institute (NHIRI) and The Nutrition Society of Australia (NSA) Perth Group are pleased to invite you to the 2025 symposium.

### Keynote speaker: Dr Sarah Youngson

Dr Youngson is a dynamic and passionate local GP strongly committed to the health and wellbeing of our young people. In addition to working at the Bridgetown Medical Centre and the Rural Clinical School, Sarah serves as Chairperson of Blackwood Youth Action.

**Abstracts now open!**
